

CITY GAS TESTS IMPEACHED BY COMPANY COUNSEL

Ransom Declares Officials Do
Not Make Examination Re-
quired by Statute.

The city's tests of gas quality were impeached today by William L. Ransom, Counsel for the Consolidated Gas Company, when the hearings into standards and rates were resumed before Public Service Commissioner Frederick in the Merchants' Association, Woodworth Building.

Mr. Ransom interrupted the testimony of William Merrifield, gas engineer for the commission, to declare that the city, through the Department of Water Supply, Gas and Electricity, does not make legal tests of gas quality as required by statute. Judson L. Hyatt, Assistant Corporation Counsel, resented Mr. Ransom's implication, and asked that if the gas company attorneys were going to testify, he be placed on the witness stand and sworn.

Mr. Merrifield was recalled when the hearing was resumed by W. C. Bell, assistant counsel for the commission. Questions continued along the technical line laid down yesterday. The witness declared that the photometer is not as accurate a test

as the heating tests used where a B. T. U. gas is used instead of a candle power.

The large number of women and other representatives of the small consumers who were present yesterday were absent today. Officials of the gas companies, however, continued to attend.

Alexander Johnson, No. 412 West 21st Street, young, elusive and wanted for several hold-ups, was arraigned in West Side Court today by Detectives McGovern and Davis, who caught him yesterday on Tenth Avenue, while he was walking with two young women.

Miss Mary Stockinger of No. 212 West 53d Street charges Jackson and several other men robbed her of \$800. Charles David, Negro watchman, opened fire, killing one and wounding another. The wounded man saved his way out of Bellevue. Herman Rubin, delicatessen dealer at No. 212 Broadway, alleges Johnson was one of three thugs who took \$250 from a cash register on Feb. 2.

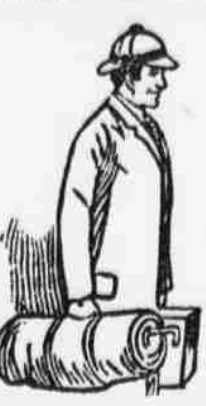

GUN-TOTING GUEST ROUTS HIS HOSTS

Fires Three Shots, as Meal Is Being Served.

The story of a quiet evening's entertainment at home which was broken up when the guest of honor suddenly drew a revolver and fired three shots, was told in West Side Court today when Thomas Dugan, nineteen, of No. 30 West End Avenue, was arraigned on the complaint of Mrs. Tessie Pascondolo, No. 32 West End Avenue.

According to the complaint, the Pascondolos had invited their neighbor in for dinner. All went serenely until the alleged revolver play figured, when screams and yells brought the police.

Dugan was arrested by Detectives Moran and Owens, who say their prisoner is known to the police through similar disturbances.

Four Out of Five Wait Too Long—

Are your gums tender—do they ever bleed when you brush your teeth?

If so—see your dentist at once and start using Forhan's For the Gums. You have the first symptoms of Pyorrhea.

Incredible as it seems, four people out of every five past the age of forty, and thousands younger, have Pyorrhea.

If neglected Pyorrhea soon runs its deadly course. It loosens teeth until they drop out or must be pulled, and it causes those deadly pus pockets to which scientists now attribute so much serious illness.

If you use Forhan's For the Gums consistently, and use it in time, you can prevent Pyorrhea or arrest its course.

Brush your teeth with Forhan's twice each day. It will keep your teeth and gums in a clean healthy condition.

Don't delay longer. Four out of five fall victims to Pyorrhea because they waited too long. 35c and 60c tubes, at your druggist's.
